## 1. INTRODUCTION

Government Chandulal Chandrakar Arts and Science College was established on 16.08.1989. This institution is affiliated to Hemchand Yadav Vishwavidyalaya, Durg (Chhattisgarh). This city is located in the Rural area of Chhattisgarh, which is the middle-eastern state of India. The institution is registered in the AISHE (All India Survey on Higher Education). The college code is C-21675. The institution is registered under the UGC (University Grant Commission) 2(f) and 12-B. Its UGC code is 202013, which lies in the central regional office CRO Bhopal, M.P.

The institution has a good infrastructure in the sense of rural area. It runs in its own campus. Its whole campus area is 17.3 Acre and the construction area is nearly 5200 square meters, including Library, main building, RUSA building and extension areas. Its infrastructural extension is under progress. In the current session, the institution runs four undergraduate programmes, thirteen postgraduate programmes and two diploma level programmes. It has a library of more than 25,000 books and a girl's hostel of 20 capacity. Presently, the Principal is Dr. Nanda Gurwara. She took her charge in mid-session of 2024-25 on 18 November 2024. Before this day, Dr. Shobha Srivastava was in-charge Principal. This college has gone through the second cycle of the NAAC evaluation. The institution is accredited with CGPA of 1.82 on the four-point scale at "C" Grade valid up to September 19, 2026.

The institution is increasing rapidly in the sense of student's enrolment, infrastructure facilities and academic programmes. In the current session 2024-25, the New Education Policy-2020 (NEP-2020) is adopted by the order of Government of Chhattisgarh. The adopted new pattern of NEP-2020 is a semester-based examination system including Continuous Internal Assessment (CIA). From current session 2024-25, the undergraduate program (with Honours) is a two semesters examination system in each year. This pattern will continuously replace the existing Annual examination system. In next session 2025-26, the second year of undergraduate classes will not exist and the Third and Fourth semester of undergraduate classes will start.

On the other hand, the HEI is strengthening its infrastructure sector, by constructing four new infrastructures namely, a three-floor Science Block, one Library-Extension building, an Sports Zim and three blocks of Staff Quarters.

The college provides education to nearly 20-25 villages of undergraduate and 40-50 villages of postgraduate classes. Students come to this college from 20-30 KM. The city is a historical place of honourable freedom fighters of 1942, the quit India movement. The city is located near an old river *Kharun*, where the village *Tarrighat* is excavated by the ASI (Archaeological Survey of India). Excavation at Tarrighat have revealed evidence of well-planned, 2500--year old city, potentially one of the earliest urban centres in India.

The college encourages students to participate in the workshop, literary and cultural activities and programs. It also motivates students to participate in social and outreach programmes. Further, the institute focus on organizing programmes on cross-cutting issues related to the syllabus. Some of the list of events and activities, in which the student participated as co-curricular, extra-curricular, and outreach programmes are the celebration of Important Days, the National Days, and Local Days, memorable and historical days, etc. and participating in awareness programs in community, organizing camp and active participation in it..

## **1.1- College Vision, Mission and Core Values**

## **2. ABOUT AUDIT**

### **2.1 Audit Introduction**

The Principal, Dr. Nanda Gurwara, at a preliminary stage organized a meeting with the faculty members of the institute to appreciate the broad objectives and need to conduct the academic audit as an independent assessment of the college. Accordingly, the audit team was formed. And therefore, the audit team decided to determine into the prevailing situation of the college along the following aspects:

### **2.2 Scope**

- Opportunities and scope of improvements in the major functional areas.
- Functioning of the Laboratories and Computer facilities.
- Functioning of the Library and Sport Department.
- Curricular development and new approach on teaching and learning methods (if any)
- Co-curricular activities organized by the departments.
- Extra-curricular activities organized by the institution with the help of YRC (Youth Red Cross), Eco-club, NSS units and, various cells.
- Functioning of Committees.
- Examination and Evaluation Assessment system, and suggestion (if any).
- Activities of the Internal Quality Assurance Cell (IQAC) and other related areas.

The team is empowered and expected to give comments and suggestions for the improvement of the functioning to be followed by the College.

### **2.3 Methodology**

The internal audit Committee observes the information/Data from the convenors of different departments, activities, cells, and committees. Keeping in view, these information/ Data, the audit committee has analysed and note-down the certain views, observations, and recommendations in this report. The audit committee hopes that these recommendations, when implemented, will serve better for the interest of the College.

3. BCA is opened under the NEP-2020 from the current session.
4. There are three programs under the computer faculty.
5. Library facility is poor for the new faculty.

## 6. SWOC ANALYSIS

### STRENGTH

- The teaching staff members have the requisite qualifications.
- The institution has the ICT and other teaching-learning requisite resources.
- Social justice and gender parity.
- Adequate infrastructure.
- Extensive Community outreach programmes.
- Willingness of leadership for all-round continuous quality improvement.
- Dedicated and competent teaching faculty.
- Committed and supportive non-teaching staff.

**WEAKNESS**

- The institution lacks good research and development facilities.
- The institution lacks good industry interface facility.
- High ratio of teacher and student.
- The institution lacks of sufficient teaching and non-teaching staff.
- Poor communication skill of students at the entry level.
- The books are not available for requisite NEP Syllabi of graduate and Honours Programmes. DSE, VAC, SEC etc. are newly introduced and student can't find study materials.

**OPPORTUNITIES**

- Higher education in the rural area
- The laboratories including the computer lab may be enriched.
- Initiation of skill-based courses
- More value-added course can be introduced to develop employability.
- Shortage of classrooms at the peak time of the college.

**CHALLENGES**

- The institution gets challenging competitions from the institutions of the nearby cities.
- Being a sub-divisional area, it faces problems.
- The internet facility is not good.
- Improvement in the rain water conservation and solid waste management system.

**7. CONCLUSION**

Sufficient diversity is being seen in this Institution. These are in the Exam system, appointment system, types of teachers, etc.

- Due to New Education Policy-2020, the Institution has three types of examination system, i.e., Semester exam for UG, Semester Exam for PG and Annual exams in UG (non-NEP).
- The Semester exams are also of two types, First, for UG-Continuous Internal Assessment (CIA-I and CIA-II) with Assignment, and second for PG as usual.
- There are five types of Teachers- i- Professor, ii-Assistant Professor, iii- Guest Lecturers (against the post sanctioned by Government), iv-JBS Teachers for Self-Finance Course, and v-JBS Teachers.
- Teacher's appointment are also of two types- I: Against Sanctioned post by Government and II: Sanctioned by Self finance committee.
- The teaching and non-teaching staffs are, in general, very competent. However, they do have work-load. Students discipline is good. The college stands out as a good institution for academic excellence.

**8. GRATITUDE**

*The Academic Audit Committee feels honoured and has this opportunity to express sincere thanks and gratitude to the College authorities for being invited to conduct the Audit. The committee also thanks to all the faculty members and non-teaching staff for their cooperation.*
