## 4.1.1- The Institution has adequate infrastructure and physical facilities for teaching-learning. viz., classroom s, laboratories, computing equipment etc.

The Institution has adequate infrastructure and physical facilities for teaching and learning, for example- classrooms, laboratories, computing equipment etc. The institute has its own campus in which there are five buildings. These are listed below:

- 1. Main Old-Building- This building has two floors. The ground floor consists of Principal's room, IQAC room, office room, account section, NSS room, Examination control room, Girls' common room, and Geography Laboratory and in first floor, there are Physics laboratory, Chemistry laboratories, Commerce department, Political Science department and classrooms.
- 2. RUSA Block- This block is also of partial two floors. The Ground floor consists of English language lab and seven other big-size classrooms. Out of all the classrooms in this building in the ground floor two rooms are fitted with the ICT facilities. In the first floor, there are two big-size laboratories, namely Botany and Zoology laboratories. One verandah is also being used as the botany classroom.
- 3. Library Building- It has again two floors. The ground floor has a reading room, an office, a library keeping books and a room for keeping old books. In first floor, there are three rooms. Out of them, one is the PGDCA classroom-cum-computer laboratory. Another is the Seminar-hall and the third room is a music practice room.
- 4. Hostel Building- The hostel building has boundary wall. It is the girls' hostel. This has twenty bedded rooms with light, fan, furniture, toilets etc.

5. Extension Building: The new building constructed in 2022-23 has Chemistry Lab and Class rooms for Sociology, Political Science, Sociology and Chemistry. Another Extended building consist of Sports and Classrooms constructed by the Janbhagidari Committee.
