9	Summary of the Program*         Image: Additional and the program and	<ul> <li>Adequate nutrition is an important aspect of a healthy lifestyle for all individuals.</li> <li>Nutritional awareness was defined as self-perception of the importance assigned to eating balanced meals, and classified as high, moderate, or of little importance. Initially, a General Linear Model was fit that adjusted for age, sex, country of birth, and body mass index (BMI).</li> <li>Under the best practices of the IQAC and regular and extension activity of NSS in the adopted village, the NSS unit organized the NUTRITIONAL AWARENESS program. In this program many benefits of fruits and nutritional habits were discussed. The NSS volunteers gave the knowledge to rural women. Dr. Pushpa Minj was the organizer.</li> </ul>
