Resp. Madam,

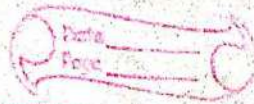

I request College to please ask students to plant trees mainly shade providing & fruit bearing in campus / suitable areas of settlement by the students at time of induction; to be maintained by student till their tenure of course. These kind of interactions give very positive inputs for our future endeavours and researches. I thank the college for providing this opportunity.

Thanks & Regards.

Home Herbal Garden

Date: 02/08/16

There was a workshop conducted on the usage and utilization of the botanical plants that can be planted and grow in the Home Herbal Garden. Mr. Shivaneshwar Nayak, In-charge, Nursery, Stari facilitated the workshop wherein he informed the participants about planting, caring, growing and using the medicinal herbs. He further talked about the health practices and hygiene based life-style. Students showed great enthusiasm and interest to attend the workshop. They put forward their queries and were provided with their sought solutions by the facilitator.

Remark by the facilitator:

Respected mem:

It was a really good interaction session with your students. The students very participated in the seminar and came out with several queries and their scope in E-commerce. Further, I would request you to make your students aware about the inter- and their use. I would like to thank you for the opportunity you gave me to interact with your students. Thank you. Harsh Upadhyay
