### **3.2.1 Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge**

The Institution has created an ecosystem for innovations. Following are some examples of them.

#### **1. Human Resource Development**

At the entry level, the college recruits meritorious, dynamic and enterprising young faculty through an elaborate selection process that involves careful scrutiny of applications. They are recruited to teach the Undergraduate and Postgraduate courses.

#### **2. Carrier Counselling Cell**

This cell is headed by Mr. Praveen Jain, Assistant Professor. This committee also organizes various seminar and counselling lectures for students.

#### **Functions of the Carrier counselling cell-**

This cell invites eminent personalities time to time from other fields of employment, e.g., from small sector and industries, NGO, finance sector for example Bank and LIC, Coaching centre, and organize seminars and workshops for students in collaboration with them.

#### **3. Performance Based Assessment System (PBAS)**

This system encourages faculty members to enhance their teaching, research and administrative skills, as well as social services. Faculty members are encouraged to undergo professional development programmes, to organize and participate in Conferences, Seminars and Workshops.

#### **4. Some other initiatives include:**

##### **a. Science Club**

These activities are performed by Science Club. Including the exhibition of Models making and Poster preparation. College makes environment of scientific attitude among students Innovative ideas are promoted among the students through Rangoli, Whatsapp based groups (class-wise Whatsapp groups) and ideas of students on a specified Day decided by the Principal.
