

**2.2.1 The institution assesses the learning levels of the students and organises special Programmes for advanced learners and slow learners**

The student admitted in our college comes from weaker economic sections and communities of the society. About 95% of the admitted students are ST, SC, and OBC. They complete their study by taking scholarship from governments. Nearly, 80% student got scholarships. But the performance in the examination is never loose. The average result of the college is from 70% to 85% in undergraduate and 90% to 100% in post-graduate examinations. This becomes possible by proper caring of students. The college is very much aware about their overall growth and social upliftment in the society.

Our college has a fair system of admission. The students are admitted in the institution as per Government norms. After the completion of admission process, the regular classes commence as per the academic calendar and college time table. After admissions college adopts a process to identify the **slow and advance learners** among students. They are identified on as per their responses in the Unit test and quarterly exams. The teachers observe that whether the students are easily understanding the lesson or not. After the end of unit test and quarterly examination, the method of problem solving and getting higher marks are asked to them. Advanced learners are encouraged to refer advanced textbooks, journals and for their advanced studies.

The library provides them more than 2 books. Some students got 5 books at a time from the library. The advance learners are encouraged to apply for different competitive examinations. They are motivated to participate in seminar presentation, Poster presentation, quiz competition, debates, etc.

**Slow learners:**

Following activities are done by teachers for students:

- 1.Extra notes.
- 2.Solving problems through sending e-Notes and notes on topics.
3. Encouragement in NSS, Sports and academic activities.
4. Black-board presentation on topic.
- 5.Extra class.

**Advance learners:**

1. Advance notes
2. power-point presentation
3. Participative learning sessions i.e. Welcome Day, Teachers Day, Farewell day, New-year day etc.
4. Experimental learning sessions i.e. Industrial Tour
5. Assessments
6. Advance questions papers
7. To enhance their confidence level, the college conducts various activities such as Cultural, NSS, Rangoli, Fancy dress, indoor and outdoor games, and Sports to develop their overall personality.
